All accounts are set up on a prepay basis. Although SoftData reserves the right to change prices of accounts or services at any time, all pricing is guaranteed for the period of prepayment. Payment is due every 30 or 365 days, from the date the account was established. In situations where the payment is not received on the due date, we will immediately suspend the facility to purchase services on-line until the outstanding charge is processed successfully. In addition, SoftData Internet Ltd reserves the right to suspend other services until the outstanding debt is cleared. Any non-payment of a recurring invoice may be subject to a £20 administration charge. The customer is responsible for all money owed on the account from the time it was established to the time that the customer sends a written cancellation request.

All payment is in UK sterling.
